

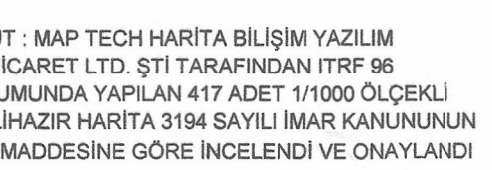

Figure 1 shows a 5x5 grid representing a 2D array. The grid is labeled with row indices 01, 06, 11, 16, and 21 on the left, and column indices 22, 21, 23, 24, and 25 on the top. The grid contains various symbols: 'a', 'b', 'c', 'd', and 'e'. Some cells are shaded with diagonal lines. A small 'K' is located at the bottom left of the grid.
